A small company has 4 departments:

- HR
- Finance
- IT
- Operations

Each department requires **no more than 50 hosts**.

7. Assign one /26 subnet to each department from the network above.
8. Fill in the table:
9. Given ip address 10.10.50.0

Department	**Subnet Mask**	**Usable IP Range**	**Defualt Gateway**	**VLANs**
HR				11
Finance				12
IT				13
Operations				14

Explain why **/26** is suitable for this scenario
